My Dearest and ever Loving Latin Déva,

This is Lord Mizterio straight out of San Diego 760 putting it down Más firme que won! Símon que sí! Mad props to you, and E-dubb, you guys keep on doing your thing to the very end. I wanna send some shoutouts to all the homies right here in the S.H.U. at Taft's Federal Prison. Also a big Q-vote to all the "D"-bays down in Escandida. Sínt no fate, but what's you make homies. Hey Karl-Aid, could you play "I remember" by the homie Lil Rob? That'd be Más firme que won! Gracias Pacas Pero Locas.

~ See Lord Mizterio ~

P.S. Oh! yeah!, I got a project of my own, including a song for your show, perhaps when I get out in 2009, we can bump it, que no?
