What's up Khool Aid & E Dubb!!!

1st of All....I just want you guys to know that Pocos Pero Locos has gotten me through the last 3 years of my incarceration. Much Love to you Khool Aid. I want to say what's up to my best friend out there in "Burque" Cheryl Lopez. I miss you girl and I'm so glad you found me!! Also to my homegirls doing time with me Vangie De La Cruz and Veronica Gallegos. I love you guys it's almost over. And to Rachel Lujan, I love you too and keep your head up.

Can you please play "Baby Girl" by Juan Gambino & Baby Bash. Or something by Romero from Cliqua 1. I'm in love w/ that Gangsta!!!!!! :)

Thank you!!

And Much Love & Respect,

Charlene Lovato
