

Dear Kool-Aid,

I want to thank you for representing us, The Latinos & Hip Hop Culture. We here at the Gatesville Units in Texas, all listen to your radio station faithfully every week-end, and appreciate everything that you and E-Dub do for us. I would like to send a shout-out to my girls C.C., Nelda, Norma, and Sheila, for always being down for me. And a special shout out to my baby and the only love of my life L-7. I love you baby with all my heart. Can you please play "This Is For The RAZA," with Diamonique, Lil Rob, and K-Frost? Thanks.

Sincerely,
Daisy A.K.A
Ms. Feisty
