

Hey Kool-Aid what's up girl. This is your Home Boy from Del Rio, TX Rene Vasquez. Right now I find myself locked up in Oklahoma City County waiting for D.O.C. I want to let you know that all the Raza here listen to you every Sunday night when you come on "Pocos pero Locos". Especially on 8<sup>th</sup> floor Baker unit. Shout's out to my boy los from all the Raza here we all hold it down for Dope House. I would like to request a song for all the Raza on 8<sup>th</sup> floor - Baker unit. From our Boy los "South Park Mexican" we would like to hear "Illegal Amigos" and also "ghost" from his recent Album with Sean Patti.

Thank you much Home-girl
